Plaintiff,

v.

EUROPA SPORTS PARTNERS, LLC,
a Delaware limited liability company, f/d/b/a as
Europa Sports Products, Inc., a North Carolina
corporation,

Defendant.

_____ /

COMPLAINT FOR DAMAGES

Plaintiff, VITAL PHARMACEUTICALS, INC. d/b/a VPX/ Redline/ Bang Energy, a Florida corporation (hereinafter “VPX”), brings this action against Defendant, EUROPA SPORTS PARTNERS, LLC, a Delaware limited liability company, formerly doing business as Europa Sports Products, Inc., a North Carolina corporation (hereinafter “ESP”), and in support thereof alleges:

NATURE OF ACTION

1. This is a cause of action for damages for breach of contract, account stated, unjust enrichment and promissory estoppel under theories of both direct and successor liability, as ESP has obligated itself directly to repay the debts of its predecessor company and is liable through successor liability theories; all of which entitle VPX to recover the repayment of these outstanding debts.

PARTIES, JURISDICTION AND VENUE

2. VPX is a Florida corporation organized and existing under the laws of the State of Florida, with its principal place of business located in Broward County, Florida.

3. ESP is a Delaware limited liability company organized and existing under the laws of the State of Delaware, with its principal place of business located in Charlotte, North Carolina. ESP is a successor of and/or was formerly known as Europa Sports Products, Inc., a former North Carolina corporation. ESP is registered to transact business in the State of Florida pursuant to F.S. §605.0902.

4. This Court has subject matter jurisdiction over this action pursuant to 28 U.S.C. §1332, as VPX, on one side, and the Defendant, on the other side, are citizens of different states and the amount in controversy exceeds \$75,000.00, exclusive of interest and costs.

5. Venue is proper in the United States District Court for the Southern District of Florida, Fort Lauderdale Division, under: (a) 28 U.S.C. §1391(b)(2), as a substantial part of the events or omissions giving rise to the claim asserted herein occurred in this District and/or (b) the Defendant conducts significant business with VPX and others in this District.

6. This Court has personal jurisdiction over ESP pursuant to Fla. Stat §48.193(1)(a)(7) because this action arises out of ESP's failure to pay monies contractually required to be paid to VPX in Broward County, Florida and thus ESP is subject to personal jurisdiction in this action; and/or pursuant to Fla. Stat. . §48.193(2), because ESP engages in substantial and not isolated activity within the State of Florida, has so registered to conduct business in the State of Florida, and has constitutional minimum contacts with the State of Florida.

GENERAL ALLEGATIONS

7. Since its founding in the 1990's, VPX has manufactured and sold products in the sports nutrition, dietary supplement and beverage industries. Over the course of the past several years, VPX, through intensive product development and promotional efforts, has carved out a substantial market presence with its aforesaid product lines, including, but not limited to, its well-known VPX's Bang[®] energy drink products.

8. Since 2021, ESP has operated its business as a distributor of nutritional and sports supplements, sports drinks and accessories to mass market retailers, gyms, health food stores and specialty supplement retailers. Prior to its inception, ESP was engaged in business as Europa Sports Products, Inc. and provided almost the identical services as it does today.

9. In or about 2021, Europa Sports Products, Inc. ceased its business operations. Almost immediately thereafter, ESP was formed and essentially stepped in the shoes of Europa Sports Products, Inc. and continued the business operations of Europa Sports Products, Inc.

10. Since as early as 2020, Europa Sports Products, Inc. was purchasing VPX various products. When products were purchased, VPX prepared and submitted valid commercial invoices containing terms and conditions to Europa Sports Products, Inc., for each product purchase. The standard terms and conditions was "Net 30" payment. Neither ESP nor Europa Sports Partners, Inc., has ever timely contested either the validity or the correctness of the VPX invoices.

11. By May of 2021, Europa Sports Products, Inc. had incurred an outstanding and past due balance of several million dollars for the purchase of VPX product. *See* Exhibit 1 hereto, spreadsheet of VPX invoices. VPX placed Europa Sports Products, Inc. on hold thereby preventing and further sales of VPX products,

12. In or about June 2021, ESP had stepped into the business shoes of Europa Sports Products, Inc., who by this time had ceased its business operations. ESP desired to continue purchasing product from VPX.

13. In or about June 1, 2021, VPX and ESP entered into an oral agreement whereby ESP would be allowed to purchase VPX product on a prepaid basis, and ESP agreed to pay Europa Sports Products, Inc.'s outstanding and past due amount over time and as it prepaid for new product orders.

14. Subsequently, VPX sold product to ESP on a prepaid basis and ESP made a few payments towards the outstanding and past due amounts. After the few payments towards the outstanding and past due amount, ESP stopped making any further payments.

15. In February 2022, when VPX questioned ESP concerning its payment of the outstanding and past due amount, an ESP Purchasing Manager advised in writing that ESP had a move forward plan with respect to the payment of the outstanding and past due amount.

16. As of February 2022, the outstanding and past due balance was \$1,284,590.48, exclusive of interest.

17. On February 4, 2022, as it had done on previous occasions, VPX made formal demand of ESP for the payment of the outstanding and past due amount.

18. Any and all conditions precedent to VPX bringing this action have occurred, or have been met, excused or waived.

SUCCESSOR LIABILITY

19. Since in or about May 2021, ESP is a successor company to Europa Sports Products, Inc. and had direct knowledge of the outstanding and past due of amount owed to VPX by Europa Sports Products, Inc.

20. Defendant has **successor liability** in the instant action for, but not limited to, the following reasons:

- a. There has been a substantial continuity of business operations since succession.
- b. The successor company uses the same facilities at the same address, same email address, and phone numbers, including those for the sales division..
- c. The successor company uses the same or substantially the same work force.
- d. The successor company uses the same or substantially the same supervisory personnel.
- e. Under the successor company, the same jobs exist under substantially the same working conditions.
- f. The successor company uses the same machinery, equipment and methods of production, the same customers, and sells the same products.
- g. The successor company uses the same website for Europa Sports and the identical social media accounts.
- h. The successor company uses the same business phone number.

21. Defendant, the successor company, is therefore liable for any and all damages caused by the predecessor company in the instant action.

43. Plaintiff VPX has complied and otherwise fully performed all requirements to be entitled to payment of the outstanding and past due balance which Defendant ESP agreed to honor and repay. earned profits and payment of his commissions.

44. Based upon the circumstances, Defendant ESP reasonably should have expected that their representations for the honoring and repayment of the outstanding and past due amount would induce Plaintiff VPX' reliance thereupon.

45. Plaintiff VPX did in fact rely on Defendant ESP's representations when it agreed to continue to sell product to Defendant ESP and forego collection effort.

46. As a result of Defendant ESP's misrepresentations and breach, Plaintiff VPX has been damaged while Defendant ESP continue to incur a benefit and refuse to pay the debt owed to Plaintiff VPX.

54. Defendant ESP's predecessor, and then in turn Defendant ESP, has kept the benefit of the payment of the outstanding and past due amount from Plaintiff VPX without properly compensating Plaintiff VPX. It would be inequitable for Defendant ESP's predecessor, and in turn Defendant ESP to retain the benefit of Plaintiff VPX' interest without paying Plaintiff VPX.

WHEREFORE, VPX requests a judgment for damages, pre-judgment interest, attorney's fees and costs in favor of VPX and against ESP, and for such other relief as the Court deems equitable and appropriate under the circumstances.
